BAER/AEP PREPARATION

- Shampoo your hair the day of the test.
- Please do not use any sprays, gels or oils after washing.
- Take prescribed medications as directed.
- Less sleep is recommended so that you are drowsy and are able to relax during the test.
- If the patient is a child, additional instructions may be needed and the technician will call you 1-2 days before to go over the prep.
- Patients under the age of 18 must be accompanied by a parent/guardian.
- Please contact the **MIND Electrodiagnostics Department** with any additional questions or information - **248-553-0010 ~ Ext. 232.**
