EMG / NERVE CONDUCTION PREPARATION

- **No lotions, oils or creams applied to the body (arms/legs/hands/feet) prior to appointment as this could affect test results.**
- **No restriction of food or fluids is necessary.**
- **You will be given a hospital gown to put on prior to the study.**
- **Before your test, tell your doctor if you are taking any medications, have any bleeding problems or have a pacemaker.**
- **You will see the technician for the first half of your test then your physician will come in to finish the test.**
- **The physician will go over your EMG results once the testing is complete.**
